

Professional rider on a closed course.

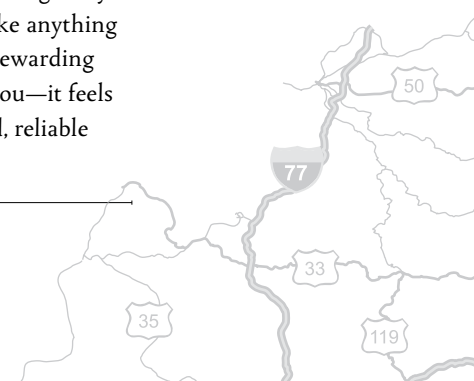

CBR600RR

WONDER WHAT IT'S LIKE TO FEEL YOUR HEART BEAT AT 15,000 RPM?

Riding a bike that's perfectly set up on a magic ribbon of twisting asphalt, negotiating every corner with skill and precision—it's a rush and a sense of accomplishment unlike anything else. And Honda's CBR®600RR is one of the most precise, most refined, most rewarding Supersport machines ever. This is a bike that just about disappears underneath you—it feels like an extension of your body. It showcases what Honda does best—offer refined, reliable performance designed to be used in the real world.

2014

01 YOUR CHOICE OF BRAKES ◇◇

Always leading in technology, the CBR600RR is available in two versions: one with conventional triple-disc brakes, and another featuring Honda's revolutionary electronic Combined Anti-Lock Braking System (C-ABS™).

02 FUEL-INJECTED INLINE-FOUR ENGINE ◇◇

One of the best sportbike powerplants we've ever built, the CBR600RR's high-revving DOHC inline-four engine produces instant power all across the rev range, but is famous for its user-friendly powerband.

Honda ACCESSORIES

When you care enough to ride the best, you should choose the best accessories too. And that's what you get with our lineup of Honda Genuine Accessories™.

Carbon Fiber Rear Fender

Made of real carbon fiber, this Rear Fender gives your bike the competition look.

On Bike Wheel Stripe

Dress up your wheels and add some conspicuity with this thick, reflective sticker. Easy to apply, and adds a custom touch.

ENVIRONMENTAL COMMITMENT At Honda, we believe in performance and leadership. That's why we're taking a leadership position when it comes to the environment, in our products and in all other aspects of our business as well. For more information visit <http://powersports.honda.com/about/environment.aspx>.

BE A RESPONSIBLE RIDER Remember, always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol, and never use the street as a racetrack. Inspect your motorcycle before riding and read your owner's manual. Log on to the HRCAs® website (hrca.honda.com) concerning reimbursement through the Honda Rider's Club of America® for Motorcycle Safety Foundation (MSF) rider training. Obey the law, use common sense, respect the rights of others when you ride, and make sure you have a proper license when riding on public roads. Operating your motorcycle with a modified engine, emissions control system or noise-control system may be illegal. For more information visit powersports.honda.com.
