

2015 CRF110F

THE RIGHT SIZE FOR HAVING FUN.

If there's one memory that will really stick with your young red riders, it's being outdoors with you and having a blast! Lucky for you and your kids, Honda has the CRF®110F. About the same size as a 70cc machine, the CRF110F's air-cooled 109cc engine and automatic clutch make the great outdoors even better.

FEATURES

THROTTLE LIMITER

Set the top speed by turning a screw. That helps keep new riders from going too fast, too soon, and lets you match the CRF110F's power output to the rider's skill level.

ELECTRIC STARTER

Turn a key, push a button—that's all it takes to get the new CRF110Fs going. Even better, they offer Honda's famous reliability too.

ENVIRONMENTAL COMMITMENT At Honda, we believe in performance and leadership. That's why we're taking a leadership position when it comes to the environment, in our products and in all other aspects of our business as well. For more information visit <http://powersports.honda.com/about/environment.aspx>.

BE A RESPONSIBLE RIDER Parents need to consider their youngster's age, size, ability and maturity before allowing them to ride. Designed exclusively for off-road operator-only use. Always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Always obtain written permission before riding on private land. Whenever you ride off-road, follow the "Tread Lightly" guidelines, and always keep on established trails in approved riding areas. Use common sense, keep your riding area clean, and respect the rights of others when you ride. Inspect your motorcycle before riding and read your owner's manual. Log on to the HRCAs website (hrca.honda.com) for information concerning reimbursement through the Honda Rider's Club of America® for Motorcycle Safety Foundation (MSF) rider training. Operating your motorcycle with a modified engine, emission control system, or noise control system may be illegal.
