

WHEN ONLY THE BEST WILL DO

SILVER WING

2013

LUXURY MEETS PRACTICALITY

MEETS FUN.

IT'S WAY MORE THAN JUST A SCOOTER—IT'S THE SILVER WING!

Perfect for everything from weekday commutes to weekend adventures, the Honda Silver Wing® offers full-coverage bodywork, a generous windscreen, and a large, comfortable seat with room for two. Best of all, the Silver Wing is built around an engine that's pure Honda: a powerful 582cc liquid-cooled twin-cylinder with fuel injection that's big enough to easily power you around town or down the freeway. And that powerplant connects to a no-hassle V-Matic™ automatic transmission so you'll never have to shift. A huge 55-liter underseat storage space is big enough to easily hold a full-face helmet. And every 2013 Silver Wing comes with Honda's anti-lock brakes (ABS)—a huge benefit in uncertain braking conditions.

2013

SILVER WING ABS

KEY FEATURES

- The Silver Wing's 582cc parallel-twin engine means it has plenty of power for two-up riding. Because it uses fuel injection, you get no-hassle startups even in cold weather or at high altitudes.
- With the V-Matic Transmission, riding couldn't be easier. Just start the engine, twist the gas, and go. The V-Matic means no shifting, ever.
- Anti-Lock Brakes (ABS) help make sure stops under vary road conditions, and offer additional peace of mind in urban commutes or on unfamiliar roads.
- The Silver Wing offers 55-liters of lockable underseat storage. That's plenty of room for a full-face helmet, or a bag of groceries.
- Want to take a passenger along? No problem! The Silver Wing's generous two-up seating capacity means he or she will be riding in the lap of luxury!

SPECIFICATIONS

ENGINE: 582cc liquid-cooled parallel-twin four-stroke

FUEL SYSTEM: Programmed Fuel Injection (PGM-FI)

TRANSMISSION: Automatic V-Matic belt drive

FRONT BRAKES: Single 276mm disc with CBS three-piston caliper and ABS

ENVIRONMENTAL COMMITMENT At Honda, we believe in performance and leadership. That's why we're taking a leadership position when it comes to the environment, in our products and in all other aspects of our business as well. For more information visit <http://powersports.honda.com/about/environment.aspx>.

BE A RESPONSIBLE RIDER Riding a scooter is an exercise in responsibility—to yourself, to others, to the environment and to the sport. So remember, always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Inspect your scooter before riding and read your owner's manual. Log on to the HRCAs website (hrca.honda.com) for information concerning reimbursement through the Honda Rider's Club of America[®] for Motorcycle Safety Foundation (MSF) rider training. Operating your scooter with a modified engine, emission control system or noise control system may be illegal. For more information visit powersports.honda.com.
