

2015 GOLD WING

YOUR JOURNEY STARTS HERE.

Here's the recipe for a great vacation: A motorcycle and some time off. And, of course, the best bike for the serious traveler is the Honda Gold Wing®. No motorcycle has changed the concept of touring like the Gold Wing, and it's just gotten better. This year it's time to celebrate with a special 40th Anniversary Edition – our 2015 Gold Wing, a motorcycle that's come to define what a touring bike can be, and to set the standards for luxury on two wheels.

ONE GREAT BIKE. FOUR GREAT CHOICES.

Choose from one of the four performance packages shown here. No matter which one is right for you, you still get all of the Gold Wing's core features: smooth, powerful 1832cc six-cylinder engine, full bodywork, strong twin-spar aluminum frame, shaft final drive, and fully integrated luggage system.

1. GOLD WING AUDIO COMFORT

Highlights include Heated Grips, Seat, and Foot Warmers; Premium Surround Sound; Cruise Control; and Electric Reverse.

2. GOLD WING AUDIO COMFORT NAVI XM

Everything you get in Package One with the addition of Honda's Satellite-Linked Navigation System and XM® Radio, Traffic and Weather.

3. GOLD WING AUDIO COMFORT NAVI XM ABS

Again, all the features of Packages One and Two, but with the added assurance of the Gold Wing's proven Anti-Lock Braking System.

4. GOLD WING AIRBAG

The top-of-the-line Gold Wing, with every feature of our first three Performance Packages, but with the addition of motorcycling's first airbag for added protection.

FEATURES

1832cc SIX-CYLINDER ENGINE

The Gold Wing's iconic, horizontally opposed six-cylinder engine is legendary for its smoothness and power. To eliminate crankshaft-induced torque reaction, the gearbox spins opposite the crank's rotation.

TRIP PLANNER

You can plan trip routes on your computer and upload them into your Gold Wing's available navi system. Plus, you can share your trips with friends, or download routes from others.

PASSENGER COMFORT

The best seat in the house: Gold Wing passengers enjoy a wide, comfortable seat with supportive backrest and armrests. There's enough room to move around a bit, and they get their own controls for the audio system.

40th ANNIVERSARY BADGING

2015 is a special year for the Honda Gold Wing, and we're celebrating with a new special 40th Anniversary badge, located Front face cowl, rear trunk lid, above the glove box, passenger seat emboss, and key.

2015 GOLD WING

BE A RESPONSIBLE RIDER Remember, always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol, and never use the street as a racetrack. Inspect your motorcycle before riding and read your owner's manual. Log on to the HRCAs website (hrca.honda.com) for information concerning reimbursement through the Honda Rider's Club of America® for Motorcycle Safety Foundation (MSF) rider training. Obey the law, use common sense, respect the rights of others when you ride, and make sure you have a proper license when riding on public roads. Operating your motorcycle with a modified engine, emissions control system or noise-control system may be illegal. For more information visit powersports.honda.com.
