

2015 RUCKUS

OFF-THE-LEASH FUN.

There's just something that's right about a pair of blue jeans: Tough. Comfortable. Versatile. And it's the same with the Honda Ruckus®. The Ruckus looks like it could survive a nuclear blast and come out swinging. But the Ruckus is about way more than just a unique look: its thrifty 49cc engine gets awesome mileage. And its Honda V-matic® transmission is great for getting through traffic. Add in Honda's legendary reliability, and the Ruckus is not only a blast to ride—it's nearly unstoppable.
