

2009 **FOURTRAX RANCHER AT**

*Honda invented the  
ATV almost 40 years  
ago. And now the  
new Rancher AT  
with optional Electric  
Power Steering is  
reinventing the class.*

**FOURTRAX RANCHER AT** The all-new 2009 Fourtrax® Rancher® AT has to be the biggest news in our Rancher lineup ever. Featuring the same great engine as our other Ranchers, we've equipped it with independent rear suspension (IRS) for a more comfortable ride and even more sure-footed traction. But our all-new Honda automatic five-speed transmission is what really sets this Rancher apart. It's fully automatic for ease of use, but offers all the strength and efficiency of a conventional gearbox. It's probably the fastest shifting transmission you'll ever experience, which means less shift shock and better, uninterrupted power transfer.

## UNIQUE FEATURES

- New Honda automatic five-speed transmission provides auto-shifting or push-button manual shifting.
- Rugged OHV liquid-cooled, fuel-injected 420cc longitudinally mounted engine allows direct driveshaft alignment to both front and rear wheels for maximum drivetrain efficiency.
- Programmed Fuel Injection for crisp performance, excellent economy and trouble-free operation in cold conditions and varying altitudes.
- Electric Power Steering (EPS) not only lowers steering effort but also reduces kickbacks over rocky terrain (only on the TRX420FPA).
- Independent double-wishbone rear suspension (IRS) contributes to increased ground clearance and responsive, class-leading handling.

## SPECIFICATIONS

Model	TRX420FA/TRX420FPA	DIMENSIONS	
<b>ENGINE</b>		Wheelbase	49.4 inches
Engine	420cc liquid-cooled OHV semi-dry sump longitudinally mounted single-cylinder fourstroke	Seat Height	32.4 inches
Bore and Stroke	86.5mm x 71.5mm	Ground Clearance	9.1 inches
Induction	Programmed Fuel Injection (PGM-FI), 34mm throttle bodies	Curb Weight*	623 pounds/642 pounds *Includes all standard equipment, required fluids and a full tank of fuel
Ignition	Full-transistorized type with electronic advance	Fuel Capacity	3.5 gallons, including 1.0 gallon reserve
<b>CHASSIS / SUSPENSION / BRAKES</b>		<b>DRIVETRAIN</b>	
Front Suspension	Independent double-wishbone; 6.3-inch travel	Transmission	Automatic ESP five-speed with Reverse
Rear Suspension	Independent double-wishbone; 6.3-inch travel	<b>FACTORY WARRANTY</b>	
Front Brake	Dual hydraulic disc	One Year	Transferable one-year limited warranty; extended coverage available with a Honda Protection Plan
Rear Brake	Single hydraulic disc		

## ENVIRONMENTAL COMMITMENT

At Honda, we believe in performance and leadership, and that's why we're taking a leadership position when it comes to the environment. We continue to develop low-emission technologies for our current and future motorcycles, ATVs, scooters and personal watercraft. And that's the kind of performance everybody can appreciate.

RANCHER AT IS ONLY FOR RIDERS 16 & OLDER. ATVs CAN BE HAZARDOUS TO OPERATE. FOR YOUR SAFETY, BE RESPONSIBLE. READ OWNER'S MANUAL. ALWAYS WEAR HELMET, EYE PROTECTION & PROTECTIVE CLOTHING. BE CAREFUL ON DIFFICULT TERRAIN. ALL ATV RIDERS SHOULD TAKE A TRAINING COURSE (FREE FOR NEW BUYERS, ASK YOUR DEALER OR CALL ASI 800-887-2887). NEVER RIDE UNDER THE INFLUENCE OF DRUGS OR ALCOHOL. ON PAVED SURFACES, PUBLIC ROADS, WITH PASSENGERS, AT EXCESSIVE SPEEDS. NO STUNT RIDING. RESPECT THE ENVIRONMENT WHEN RIDING. Whenever you ride off-road, follow the "Tread Lightly!" guidelines, and always keep on established trails in approved riding areas. NaturalGear™ is a registered trademark of NATGEAR, LLC.
