

2009 **FOURTRAX RANCHER FAMILY**

*Honda's Ranchers  
are America's  
favorite ATVs.  
One ride will tell  
you why.*

**FOURTRAX RANCHERS** Honda's FourTrax® Rancher® lineup of all-terrain vehicles has made life easier for farmers, fishermen, ranchers, hunters, and outdoor enthusiasts for decades now. And this year our Rancher line gives you even more choices. Our four Rancher four-wheel-drive models are the foundation of the lineup—tough ATVs that get the job done. Two of them offer Electric Shift Program™ and new for 2009, Honda's revolutionary Electric Power Steering (EPS). And we also offer a two-wheel drive model as well. But no matter which Rancher you choose, you can rest assured you're getting the quality, dependability, and proven features that set a Honda apart. In short, you'll be getting the best ATV value ever.

While our line of Ranchers share many of the same features, each one has its own unique combination. Here's a breakdown:

**Rancher 4x4 ES with EPS**

Our electric-shift 4x4 model with the addition of Electric Power Steering

**Rancher 4x4 EPS**

Our conventional-shift model, but also featuring Electric Power Steering

**Rancher 4x4 ES**

Four-wheel drive and our Electric Shift Program™ (ESP®) transmission

**Rancher 4x4**

Four-wheel drive combined with our conventional foot-shift ATV manual transmission.

**Rancher**

This is our rugged two-wheel drive model.

## UNIQUE FEATURES

- Rugged OHV liquid-cooled, 420cc longitudinally mounted engine on all Rancher models allows direct driveshaft alignment to both front and rear wheels for maximum drivetrain efficiency.
- Keihin® fuel-injection system on all Rancher models provides crisp performance and ensures trouble-free operation in cold conditions and changing altitudes.
- Heavy-duty automatic clutch with a low-rpm engagement point on all Rancher models for excellent driveability and towing capability.
- Independent double-wishbone front suspension on all models uses premium shock absorbers to provide 6.3 inches of suspension travel for a comfortable ride.
- Specially designed floorboards on all Ranchers allow the rider's feet to grip the footrests while helping keep mud and debris away.
- Rubber-cushion engine mounting and gear-driven counterbalancer reduce vibration.
- Convenient electric starting, with optional recoil starter and an automatic internal-decompression system.
- Rugged frame and suspension provide an exceptional 6.5 inches of ground clearance.
- Tough, large-diameter 24x8-12 front, and wide 24x10-11 rear tires provide excellent ground clearance while maintaining precise handling.
- Dual front hydraulic disc brakes and sealed mechanical rear drum brakes for strong stops.
- Large cargo racks front and rear carry payloads of 66 and 133 pounds, respectively.
- Heavy-duty trailer hitch with 850-pound towing capacity.
- Large, lightweight plastic fuel tank with 3.6-gallon capacity.
- Snorkel-type air-intake system is specially designed to resist water.
- Full-length lower skidplate with integrated front brush guard.
- Transferable one-year limited warranty; extended coverage available with a Honda Protection Plan.
- Electric Power Steering on our Rancher 4x4 ES with EPS and Rancher 4x4 with EPS makes riding less fatiguing especially in tough conditions like dried ruts and boulder trails.
- ES models feature Electric Shift Program (ESP®) for pushbutton upshifting and downshifting.
- TraxLok® allows you to shift between 2WD and 4WD on the fly with just a push of your thumb.

## SPECIFICATIONS

**RANCHER 4X4 ES/EPS**

| Model         | TRX420FE (ESP)/TRX420FPE   |
|---------------|--|
| <b>ENGINE</b> |  |
| Engine        | 420cc liquid-cooled longitudinally mounted OHV single-cylinder four-stroke |
| Bore & Stroke | 86.5 x 71.5mm  |
| Induction     | Keihin® 34mm throttle-body fuel injection system                           |
| Ignition      | Full transistor with electronic advance                                    |

**CHASSIS / SUSPENSION / BRAKES**

|                  |  |
|------------------|--|
| Front Suspension | Independent double-wishbone; 6.3-inch travel |
| Rear Suspension  | Swingarm with single shock; 6.3-inch travel  |
| Front Brake      | Dual hydraulic disc                          |
| Rear Brake       | Sealed mechanical drum                       |

**DIMENSIONS**

|                  |   |
|------------------|---|
| Wheelbase        | 49.2 inches   |
| Seat Height      | 32.4 inches   |
| Ground Clearance | 6.5 inches  |
| Curb Weight*     | 588 pounds (FE)/605 pounds (FPE)<br>*Includes all standard equipment, required fluids and a full tank of fuel |
| Fuel Capacity    | 3.6 gallons, including 1.0-gallon reserve   |

**DRIVETRAIN**

|              |  |
|--------------|--|
| Transmission | Electric Shift Program five-speed with reverse |
|--------------|--|

**FACTORY WARRANTY**

|        |  |
|--------|--|
| 1 Year | Coverage of defects in materials and workmanship |
|--------|--|

**RANCHER 4X4/EPS**

| Model         | TRX420FM/TRX420FPM   |
|---------------|--|
| <b>ENGINE</b> |  |
| Engine        | 420cc liquid-cooled longitudinally mounted OHV single-cylinder four-stroke |
| Bore & Stroke | 86.5 x 71.5mm  |
| Induction     | Keihin® 34mm throttle-body fuel injection system                           |
| Ignition      | Full transistor with electronic advance                                    |

**CHASSIS / SUSPENSION / BRAKES**

|                  |  |
|------------------|--|
| Front Suspension | Independent double-wishbone; 6.3-inch travel |
| Rear Suspension  | Swingarm with single shock; 6.3-inch travel  |
| Front Brake      | Dual hydraulic disc                          |
| Rear Brake       | Sealed mechanical drum                       |

**DIMENSIONS**

|                  |   |
|------------------|---|

## ENVIRONMENTAL COMMITMENT

At Honda, we believe in performance and leadership, and that's why we're taking a leadership position when it comes to the environment. We continue to develop low-emission technologies for our current and future motorcycles, ATVs, scooters and personal watercraft. And that's the kind of performance everybody can appreciate.

ATVs CAN BE HAZARDOUS TO OPERATE. FOR YOUR SAFETY, BE RESPONSIBLE. READ YOUR OWNER'S MANUAL. ALWAYS WEAR HELMET, EYE PROTECTION & PROTECTIVE CLOTHING. BE CAREFUL ON DIFFICULT TERRAIN. ALL ATV RIDERS SHOULD TAKE A TRAINING COURSE (FREE FOR NEW BUYERS, ASK YOUR DEALER OR CALL ASI 800-887-2887). NEVER RIDE: UNDER THE INFLUENCE OF DRUGS OR ALCOHOL, ON PAVED SURFACES, PUBLIC ROADS, WITH PASSENGERS, AT EXCESSIVE SPEEDS, NO STUNT RIDING. UTILITY ATVs ONLY FOR RIDERS 16 & OLDER. RESPECT THE ENVIRONMENT WHEN RIDING. Whenever you ride off-road, follow the "Tread Lightly!" guidelines, and always stay on established trails in approved areas. Operating your ATV with a modified engine, exhaust system, spark arrestor or noise-control system may be illegal. Keihin® is a registered trademark of Keihin Mfg. Co., Ltd.
