2022 CRF110F

BIG THRILLS IN A SMALL PACKAGE

Every new trail you explore with your young rider is a chance to build lasting memories. The CRF®110F is designed to keep the fun going, with plenty of performance and new competition-worthy graphics. The durable single-cylinder engine and tough steel frame offer rock-solid reliability. It's combined with a unique four-speed transmission with automatic clutch that allows riders to shift when they want, without stalling. Long suspension travel and a comfortably padded seat help extend how long they can ride. Because the further you travel with your group, the closer you'll feel.

CRF/FS ARE INTENDED FOR OFF-ROAD OPERATION ONLY. PARENTS NEED TO CONSIDER A RIDER'S AGE, SIZE, ABILITY AND MATURITY BEFORE ALLOWING THEM TO RIDE. ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING, AND PLEASE RESPECT THE ENVIRONMENT. OBEY THE LAW AND READ THE OWNER'S MANUAL THOROUGHLY. Always stay on Established trails in approved riding areas. CRF® is a registered trademark of Honda Motor Co., Ltd. ©2021 American Honda Motor Co., Inc.

CURB WEIGHT	- 169 pounds (Includes all standard equipment, required fluids and full tank of fuel ready to ride)
FUEL CAPACITY	- 1.0 gallon
GROUND CLEARANCE	- 6.7 Inches

Six Months Included Transferable, limited warranty
Optional Extended Extended coverage available with a HondaCare Protection Plan®

FEATURES & BENEFITS

FOUR-STROKE ENGINE

The CRF110F's dependable four-stroke single-cylinder engine offers good performance with a wide powerband—perfect for a wide range of riders including beginners. And because it's a Honda, you know it's reliable, too.

AUTOMATIC CLUTCH

There's no clutch lever for new riders to master, and that means no stalling. In addition, the smooth transmission offers four gear ratios. All you do is shift with your foot.

ELECTRIC STARTER

Push a button and go—that's how easy it is to get going on a CRF110F. Starts after a tip-over are a snap, and the push button means no frustration if your red rider accidentally stops the engine.

ADJUSTABLE THROTTLE LIMITER

Set the top speed by turning a screw. That helps keep new riders from going too fast, too soon, and lets you match the CRF110F's power output to the rider's skill level.
