

SCREENTIME STOPS, FUN BEGINS

Whether starting out or stepping up, the CRF110F is perfect for young riders. With a smooth four-stroke engine, electric start, fuel injection, and an auto-clutch transmission, it's easy to operate and builds confidence fast. Rugged, reliable, and ready for anything — this bike turns trail time into big-time fun.

FEATURES & BENEFITS

FOUR-STROKE ENGINE

The Honda four-stroke single-cylinder engine provides smooth and reliable performance, making it ideal for a broad range of riders, including beginners.

AMPLE SUSPENSION TRAVEL

This entry-level dirt bike offers ample suspension travel at the front and rear, ensuring a comfortable and smooth ride.

ELECTRIC STARTER

Push a button and go—that's how easy it is to get going. The handlebar-mounted electric starter is one of the many features that make the CRF110F user friendly for riders of all ages and sizes.

ADJUSTABLE THROTTLE LIMITER

Turn a screw to set the top speed and match the power to the rider's skill level, the adjustable throttle limiter allows the bike to be tuned to accommodate riders of different levels of experience.
