2022 CRF50F

EASY TO LEARN. HARD TO FORGET.

Every great rider starts somewhere. Most of them, on a CRF[®]50F. It's just the right size for younger riders, with the perfect combination of features to make learning as entertaining as riding. The four-stroke engine provides smooth power delivery that's easy to harness, and the automatic clutch means riders can focus on the fundamentals without worrying about stalling. Along the way, an adjustable throttle limiter lets you control its power output and a keyed ignition lets you control who goes riding, and when. And this year, it comes with new graphics inspired by our champion-motocrossers. The CRF50F is a learning tool, a bonding opportunity, and nonstop fun.

PARENTS NEED TO CONSIDER A RIDER'S AGE, SIZE, ABILITY AND MATURITY BEFORE ALLOWING THEM TO RIDE. ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING, AND PLEASE RESPECT THE ENVIRONMENT. Always stay on established trails in approved riding areas. CRF[®] is a registered trademark of Honda Motor Co., Ltd. ©2021 American Honda Motor Co., Inc.

CRF50F

SPECIFICATIONS

ENGINE TYPE	— 49.5cc air-cooled single-cylinder four-stroke
BORE AND STROKE	— 39.0mm x 41.4mm
COMPRESSION RATIO	— 10.0:1
VALVE TRAIN	— SOHC; two-valve
INDUCTION	— 11mm piston-valve carburetor
IGNITION	— AC-CDI
START SYSTEM	— Kick start
TRANSMISSION	— Three-speed with automatic clutch
FINAL DRIVE	— #420 chain;14T/37T
FRONT SUSPENSION	— 22mm Inverted telescopic fork; 3.8-inches of travel
REAR SUSPENSION	— Single-shock; 3.8 inches of travel
FRONT BRAKE	— Drum
REAR BRAKE	— Drum
FRONT TIRE	— 2.50-10
REAR TIRE	— 2.50-10
TRAIL	— 32mm
WHEELBASE	— 35.9 inches
SEAT HEIGHT	— 21.6 inches
CURB WEIGHT	— 111 pounds (Includes all standard equipment, required fluids and full tank of fuel ready to ride)
FUEL CAPACITY	— 0.7 gallons

Six Months Included Transferable, limited warranty
Optional Extended Extended coverage available with a HondaCare Protection Plan®

FEATURES & BENEFITS

DURABLE, LOW-MAINTENANCE ENGINE

If there's one thing you can count on with a Honda, it's the engine. The CRF50F's Honda four-stroke is famously reliable. That cuts down on frustration and hassles.

KEYED IGNITION

A removable key helps ensure younger riders can't ride without an adult's supervision. Got their homework done early? Let's go riding!

ADJUSTABLE THROTTLE LIMITER

Set the top speed by turning a screw. That helps keep new riders from going too fast, too soon, and lets you match the CRF50F's power output to the rider's skill level.

AUTOMATIC CLUTCH TRANSMISSION

Because there's no clutch lever to master, new riders don't have to worry about stalling. That makes the CRF50F the perfect tool for learning to shift. In addition, the smooth transmission offers three gear ratios.
