

CAPABILITY YOU CAN COUNT ON

For many enthusiasts, the Honda Foreman® ATV can be considered the original “Do-it-yourself” expert. It has set the highest standards of performance, durability, and overall build quality for the entire category. And it’s all thanks to a capable 518cc engine that’s ready for hard work and hard trail riding. A swingarm rear suspension that’s ideal for towing. Long-travel suspension and a plush seat that provides a comfortable ride all day long. And steel front and rear racks are not just sturdy, but also designed to easily integrate with Honda Pro-Connect™ cargo boxes and other accessories. The Foreman is the ATV for those who never cut corners on the job, or miss a shortcut on the trail.

2024 FourTrax Foreman 4x4

UTILITY ATVS ARE RECOMMENDED FOR RIDERS 16 YEARS AND OLDER. ATVS CAN BE HAZARDOUS TO OPERATE. FOR YOUR SAFETY, BE RESPONSIBLE. READ THE OWNER'S MANUAL. ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING. BE CAREFUL ON DIFFICULT TERRAIN. NEVER RIDE AFTER CONSUMING DRUGS OR ALCOHOL, ON PAVED SURFACES, ON PUBLIC ROADS, WITH PASSENGERS, OR AT EXCESSIVE SPEEDS. NO STUNT RIDING. RESPECT THE ENVIRONMENT WHEN RIDING. FourTrax®, Foreman®, Honda Pro-Connect™, Electric Shift Program® (ESP), and Trax-Lok® are registered trademarks of Honda Motor Co., Ltd. ©2023 American Honda Motor Co., Inc.

FEATURES & BENEFITS

POWERFUL 518cc ENGINE

We gave the FourTrax® Foreman a tough 518cc engine that cranks out plenty of horsepower and torque. That enhances the Foreman's overall performance, and also gives your Foreman excellent hill-climbing ability.

ELECTRIC REVERSE

Available on our Electric Shift Program® (ESP) model, this single lever is a big improvement when it comes to convenience and ease of operation. It's especially useful when you have to shift from forward to reverse repeatedly, like when you're plowing snow.

FRONT/REAR CARGO RACKS

The Foreman's racks feature strong steel construction and a large flat area. Better still, they're designed so it's easy to attach and remove cargo boxes and other accessories in our Honda Pro-Connect™ line, adding to your Foreman's versatility.

SWINGARM SUSPENSION

The Foreman 4x4 rear swingarm with its solid axle provides superior capability for towing and hauling. Its long suspension stroke and plush seat let you tackle your favorite trail or the toughest chores in comfort all day long.

Electric Shift Program (ESP) Shifting has never been this easy: With Honda's ESP system, you get the ease of push-button shifting with the strength of a conventional transmission. Since there's no foot-shift lever, ESP is also a bonus when riding in heavy mud- or snow-covered boots.

Automatic DCT The Foreman's Honda Automatic DCT transmission offers strong internals, fast shifts, excellent control, true compression braking, and technology that upshifts and downshifts automatically. It's one of the best choices you can make.

Honda PRO-CONNECT ACCESSORIES The Foreman's racks are designed to integrate with our Honda Pro-Connect™ accessories. You can quickly attach and detach Pro-Connect accessories like our cargo boxes, utility baskets, and more, all without tools, for added flexibility and convenience.
