

WORK HARD, PLAY HARDER

Start off strong and work harder with the Honda FourTrax Foreman 4x4. Designed for those who demand more from their ATV, it boasts a robust 518cc engine, perfect for serious work and weekend adventures in the woods. The swingarm rear suspension makes towing easy, while this four-wheeler's long-travel suspension and plush seat ensure all-day riding comfort. Sturdy steel front and rear racks are designed to integrate seamlessly with Honda Pro-Connect™ cargo boxes and accessories, giving you the versatility to tackle any challenge. This ATV adapts to your needs and is available in two trims — standard and EPS, featuring Honda's speed- and torque-sensitive Electric Power Steering. Choose from Hero Red, Black Forest Green, and TrueTimber® Atera Camo for 2025. Experience the performance, comfort, and versatility only the FourTrax Foreman 4x4 can deliver.

FEATURES & BENEFITS

POWERFUL 518cc ENGINE

We gave the FourTrax® Foreman a tough 518cc engine that cranks out plenty of horsepower and torque. That enhances the Foreman's overall performance, and also gives your Foreman excellent hill-climbing ability.

ELECTRIC REVERSE

Available on our Electric Shift Program® (ESP) model, this single lever is a big improvement when it comes to convenience and ease of operation. It's especially useful when you have to shift from forward to reverse repeatedly, like when you're plowing snow.

FRONT/REAR CARGO RACKS

The Foreman's racks feature strong steel construction and a large flat area. Better still, they're designed so it's easy to attach and remove cargo boxes and other accessories in our Honda Pro-Connect™ line, adding to your Foreman's versatility.

SWINGARM SUSPENSION

The Foreman 4x4 rear swingarm with its solid axle provides superior capability for towing and hauling. Its long suspension stroke and plush seat let you tackle your favorite trail or the toughest chores in comfort all day long.
