## FEATURES & BENEFITS

### POWERFUL 518cc ENGINE

Experience unwavering performance with our robust, liquid-cooled 518cc engine, which delivers the power you need off-road and on the job.

### FRONT/REAR CARGO RACKS

Discover unmatched versatility with our durable steel racks. Equipped with our Pro-Connect system, they enable easy attachment and removal of cargo boxes and accessories, enhancing functionality.

### SWINGARM SUSPENSION

The rear swingarm features a solid axle that enhances towing and hauling capabilities, while the long suspension stroke and comfortable seat allow you to tackle your favorite trails and the most demanding jobs with ease all day long.

### TraxLok

Unlock superior traction optimization with our TraxLok<sup>®</sup> system, which offers three modes: 2WD, 4WD, and 4WD with a locking front differential and Speed Override. This system is designed to enhance speed in challenging conditions, such as mud and snow.
