IT'S TIME TO START YOUR DREAM RIDE.

Who hasn't looked at a motorcycle and dreamed of where you might ride it. For a weekend, for a month, watching the road unroll in front of you and the landscape change. And with a Honda Gold Wing, that doesn't have to be just a dream—it becomes a reality. Smooth, powerful, luxurious, and offering impeccable handling and unmatched comfort. Choose between a six-speed manual transmission or our revolutionary seven-speed automatic DCT gearbox.

Where will you ride it next?

ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING. NEVER RIDE AFTER CONSUMING DRUGS OR ALCOHOL, AND NEVER USE THE STREET AS A RACETRACK. RESPECT THE ENVIRONMENT WHEN RIDING. Gold Wing® is a registered trademark of Honda Motor Co., Ltd. Apple CarPlay and iPhone are trademarks of Apple Inc. For using Apple CarPlay, connection to a commercially available Bluetooth headset is necessary. See owner's manual for Bluetooth headset requirements. ©2026 American Honda Motor Co., Inc

FEATURES & BENEFITS

ENGINE

The horizontally opposed six-cylinder engine is famously smooth and powerful. Our latest version is an 1833cc design that's over 13 pounds lighter than previous generations (more than eight pounds less for our DCT trims).

SEVEN-SPEED AUTOMATIC DCT

Available with our revolutionary seven-speed automatic Dual-Clutch Transmission (DCT), the shifts are fast and smooth, and the overdrive seventh gear is perfect for highway cruising.

APPLE CARPLAY™ WIRELESS COMPATIBILITY

Apple's CarPlay™* seamlessly integrates your iPhone®* into your bike. Available Bluetooth®**-enabled wireless headsets let you communicate more easily than ever.

DOUBLE-WISHBONE FRONT SUSPENSION

The radical double-wishbone front suspension delivers stellar handling and gives the bike a sleek, sporty appearance. The innovative design changes the wheel's path, letting us move both the engine and rider/passenger closer to the front wheel.
