FEATURES & BENEFITS

V-AUTOMATIC TRANSMISSION

The Metropolitan's multi-speed automatic transmission means no shifting ever—not even into park or neutral. Just turn the key, press the starter button, and go!

PROGRAMMED FUEL INJECTION (PGM-FI)

The Metropolitan features a liquid-cooled 49cc four-stroke engine with fuel injection. It's quiet, economical, and super reliable—everything you'd expect from a Honda.

22-LITER UNDER SEAT STORAGE

The Metropolitan features a large under-seat storage area big enough for a helmet, your books, or some groceries. The storage area features a lock for added security and is weather-resistant too.

COMBINED BRAKING SYSTEM

Activate the rear brake, and CBS automatically adds front braking to help you stop.
