

# SAVOR THE SCENIC ROUTE

Meet the motorcycle that turns daily miles into unforgettable adventures. The NC750X blends a responsive 745cc parallel-twin engine with our automatic Dual-Clutch Transmission, integrated front storage, and rally-inspired style. Commute, detour, or disappear for the weekend. The choice is yours, as this ultimate everyday explorer truly does it all.

ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING. NEVER USE THE STREET AS A RACETRACK. OBEY THE LAW AND READ THE OWNER'S MANUAL THOROUGHLY. <b>FUEL CAPACITY</b>	— 3.7 gallons

**One Year Included** Transferable, one year included, unlimited-mileage limited warranty  
**Extended coverage** available with a HondaCare® Protection Plan

### FEATURES & BENEFITS

#### PARALLEL-TWIN ENGINE

The engine's 745cc twin-cylinder layout delivers ample low- and mid-range torque, while its 270-degree-phase crank and uniaxial primary balancer enhance smoothness.

#### Automatic DCT

With refined DCT logic for smarter city and hill shifts, our automatic Dual-Clutch Transmission lets you change gears effortlessly at the push of a button or have the bike handle shifts for you. Plus, with three customizable modes, you can tailor the performance to match your adventure.

#### Honda RoadSync

Honda RoadSync connects to your Android or iOS device via Bluetooth and the Honda RoadSync app. It allows for hands-free navigation, music playback, as well as the ability to check local forecasts at your destination. Android phones can link for hands-free calling and texting.

#### INTEGRATED STORAGE

A notable feature is the spacious utility compartment located in front of the rider, which is large enough to hold most full-face helmets and other essentials. It is secure, convenient, and fully integrated into the bike's design.
