

## SIZED RIGHT AND LOADED WITH FEATURES

The Pioneer® 520 is the side-by-side that you'll always want to keep close at hand. Its versatility comes from its wide set of features. Like a 50-inch width that allows it to access trails other side-by-sides can't. The compact size means it can fit in most full-sized pickup beds. And the powerful 518cc engine delivers plenty of performance, along with our famous reliability. There's seating for two along with a strut-assist tilt/dump utility bed and 1000-pound towing capacity. Choose from a wide range of features, like selectable two- or four-wheel drive, and configure your Pioneer 520 to fit your needs.

For a similar model without the tilt bed, check out the Pioneer 500 for great versatility and value.

PIONEER 520 SHOWN IS FOR DRIVERS 16 YEARS OF AGE AND OLDER. FOR YOUR SAFETY, DRIVE RESPONSIBLY, ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING. NEVER DRIVE AFTER CONSUMING DRUGS OR ALCOHOL, AND ALWAYS WEAR YOUR SEATBELT AND KEEP THE SIDE NETS AND DOORS CLOSED. RESPECT THE ENVIRONMENT WHEN RIDING. <b>TOWING CAPACITY</b>	— 1000 pounds
<b>BED CAPACITY</b>	— 450 pounds

**One Year Included** Transferable, limited warranty  
**Optional Extended** Extended coverage available with a HondaCare® Protection Plan

## FEATURES & BENEFITS

### POWERFUL 518cc ENGINE

With an engine that's both bigger and more powerful than our Pioneer 500's, the Pioneer 520 also features electronic fuel injection. The engine is specially tuned for low-rpm torque and coupled with an efficient five-speed automatic transmission.

### AUTOMATIC TRANSMISSION WITH AT/MT MODE

You can let the Honda Pioneer 520's automatic transmission shift for you, or you can still shift yourself with its paddle shifters. You can even shift from auto to manual (AT to MT) on the fly!

### TILT/DUMP BED

The Pioneer 520 features a super-convenient tilt/dump bed that can carry up to 450 pounds. An assist strut makes dumping easy, the tailgate opens flat, and the inside of the bed is set up for plywood dividers, or to hold milk crates or plastic buckets.

### COMPACT 50-INCH WIDTH AND TRAXLOK® 2WD/4WD

The Pioneer 520's 50-inch overall width is a huge bonus, whether it's for width-restricted trails or convenient transportation and storage (it fits into the bed of most full-sized pickups). Plus, TraxLok lets you choose either 2WD or 4WD.
