

THE SXS THAT WORKS AS HARD AS YOU DO.

Some boxers punch way above their weight class. Some workers are way better than what's on their resume. And that's the way it is with our Honda Pioneer® 700 line. They're a little smaller than our Pioneer 1000 models, but they're overachievers when it comes to how much work they can do, or how much fun you can have. Best of all, for 2023 we've given them some big updates, like a new dash, new instruments, and a whole new model—the Pioneer 700 Forest Edition. All three feature tilt beds and the same 675cc engine. Need to bring more passengers along for the ride? Then check out our four-person Pioneer 700-4 lineup.

PIONEER 700 IS ONLY FOR DRIVERS 16 YEARS AND OLDER. MULTI-PURPOSE UTILITY VEHICLES (SIDE-BY-SIDES) CAN BE HAZARDOUS TO OPERATE. FOR YOUR SAFETY, DRIVE RESPONSIBLY. ALWAYS WEAR A HELMET, EYE PROTECTION AND APPROPRIATE CLOTHING. ALWAYS WEAR YOUR SEAT BELT, AND KEEP THE SIDE NETS AND DOORS CLOSED. AVOID EXCESSIVE SPEEDS AND BE CAREFUL ON DIFFICULT TERRAIN. READ THE OWNER'S MANUAL BEFORE OPERATING THE VEHICLE. NEVER DRIVE AFTER CONSUMING DRUGS OR ALCOHOL, OR ON PUBLIC ROADS. DRIVER AND PASSENGERS MUST BE TALL ENOUGH FOR SEAT BELT TO FIT PROPERLY AND TO BRACE THEMSELVES WITH BOTH FEET FIRMLY ON THE FLOOR. PASSENGER MUST BE ABLE TO GRASP THE HAND HOLD WITH THE SEAT BELT ON AND BOTH FEET ON THE FLOOR. RESPECT THE ENVIRONMENT WHEN DRIVING. Pioneer®, Phantom Camo® and Electric Shift Program® (ESP) are registered trademarks of Honda Motor Co., Ltd. ©2022 American Honda Motor Co., Inc.

FEATURES & BENEFITS

NEW ELECTRIC POWER STEERING® (EPS)

Our Honda Electric Power Steering has always been a groundbreaking innovation, and it's even better this year. How? We've given it a new next-generation brushless motor, and new return-to-center function. (Available on Pioneer 700 Deluxe and Pioneer 700 Forest)

AT/MT MODE AND PADDLE SHIFTERS

With the Honda Pioneer 700 Deluxe and Pioneer 700 Forest, you can let the automatic transmission shift for you, or you can take charge and choose which gear you want for yourself via the steering column mounted paddle shifters—you can even shift from auto to manual (AT to MT) on the fly!

RUGGED 675cc LIQUID-COOLED ENGINE

Power to go further, and to keep on going. That's what the 675cc four-stroke single delivers. Rubber-mounted for less cabin vibration. Fuel-injected for reliable starts and performance in inclement weather. And proven reliability for hunting down thrill after thrill.

NEW INSTRUMENT DISPLAY

Our new instrument display features an LCD screen that's twice the size of the previous unit. Larger text makes it easier to read, and the whole unit tilts along with our new tilt wheel. We've even changed the background color for improved visibility in direct sunlight.
