

BAGGER!

Introducing the new 2023 Honda Rebel® 1100T DCT, a bike that gives you all the best Rebel 1100 features — low seat height, excellent handling, light weight and powerful 1100cc twin-cylinder engine—with the added benefits of hard, locking, weather-resistant saddlebags and a windshield/fairing combination that are just right for longer rides. Plus, the Rebel 1100T has tons of bagger style and attitude. And speaking of longer rides, don't forget that every Rebel 1100T comes with cruise control as a standard feature, and anti-lock brakes too. Even though the Rebel 1100T is brand new, we already have an extensive line of Honda accessories ready for you. And here's a feature that's sure to become a favorite: Every Rebel 1100T comes with our exclusive Honda DCT Automatic transmission!

WHEELBASE	— 59.8 inches
RAKE	— 28°
TRAIL	— 4.3 inches
SEAT HEIGHT	— 27.5 inches
FUEL CAPACITY	— 3.6 gallons including 1.1-gallon reserve
CURB WEIGHT	— 524 pounds (Includes all standard equipment, required fluids and full tank of fuel)

FEATURES & BENEFITS

1084cc TWIN-CYLINDER ENGINE

The Rebel 1100T has an engine that redefines what a modern cruiser can be. The parallel-twin design is narrow, and delivers torque everywhere from idle to redline. Plus, it revs like nothing else in the class.

CRUISE CONTROL

With a bike like the new Rebel 1100T, you're going to want to get out and ride. That's why we've equipped it with cruise control, just like our Gold Wings. Want to kick back and cruise on the open road all weekend long? No problem!

HARD SADDLEBAGS

This is what makes a bagger a bagger. The Rebel 1100T features a pair of integral, color-matched hard saddlebags that together hold 35 liters—enough for a weekend getaway, and handy for riding around town.

HANDLEBAR-MOUNTED FAIRING

The Rebel 1100T features a handlebar-mounted “batwing” style fairing that's an unmistakable part of its style. Plus, its additional wind- and weather protection make it perfect for longer trips.
