## 2022 Shadow Aero/ABS

### OLD SCHOOL COOL

Comfort on a motorcycle is about way more than just how thick the seat is or where the footpegs are. Because comfort is more than how you feel on the bike - it's how the bike makes you feel. And that's why we build the Shadow Aero® and Shadow Aero ABS - two bikes that just feel right, so you'll feel the same way riding them. The V-twin engine is a natural choice, narrow and offering plenty of torque. The chromed dual exhaust makes this bike sound great too. A low seat height, low center of gravity, low-maintenance shaft drive and classic looks round out the package. Want one with our anti-lock brake system as well? Then check out the Shadow Aero ABS.

ALWAYS WEAR A HELMET, EYE PROTECTION AND PROTECTIVE CLOTHING. NEVER RIDE AFTER CONSUMING DRUGS OR ALCOHOL, AND NEVER USE THE STREET AS A RACETRACK. OBEY THE LAW AND READ THE OWNER'S MANUAL THOROUGHLY. Shadow Aero® is a registered trademark of Honda Motor Co., Ltd. ©2021 American Honda Motor Co., Inc.

ENGINE TYPE	— 745cc liquid-cooled 52-degree V-twin
BORE AND STROKE	— 79mm x 76mm
INDUCTION	— Programmed Fuel Injection (PGM-FI), with 34mm throttle bodies
IGNITION	— Digital transistorized with electronic advance
COMPRESSION RATIO	— 9.6:1
VALVE TRAIN	— SOHC; three valves per cylinder
TRANSMISSION	— Wide-ratio five-speed
FINAL DRIVE	— Shaft
FRONT SUSPENSION	— 41mm fork; 4.6 inches of travel
REAR SUSPENSION	— Dual shocks with five-position spring-preload adjustability; 3.5 inches of travel
FRONT BRAKE	— Single 296mm disc with twin-piston caliper
REAR BRAKE	— 180mm drum (ABS: rear disc)
FRONT TIRE	— 120/90-17
REAR TIRE	— 160/80-15
RAKE	— 34° (Caster Angle)
TRAIL	— 161mm (6.3 inches)
WHEELBASE	— 64.6 inches
SEAT HEIGHT	— 25.9 inches
CURB WEIGHT	— 560 pounds standard and 573 pounds ABS (Includes all standard equipment, required fluids and a full tank of fuel—ready to ride)
FUEL CAPACITY	— 3.7 gallons, including 0.9-gallon reserve

**One Year Included** Transferable, unlimited-mileage limited warranty  
**Optional Extended** Extended coverage available with a HondaCare Protection Plan®

### FEATURES & BENEFITS

#### V-TWIN ENGINE

Nothing pumps out the torque like a big V-twin. The Aero's power makes it perfect for both around-town cruising, commutes and casual weekend-long rides.

#### 2-INTO-2 EXHAUST SYSTEM

Sleek pipes feature bullet-style mufflers for that classic cruiser style of yesteryear. Large-diameter head pipes and 2-into-2 system design combine to put out true, V-twin cruiser sound.

#### COMFORTABLE SADDLE

Broad, low-slung solo seat features a detachable passenger seat.

#### FIVE-SPEED TRANSMISSION

Wide-ratio five-speed transmission lets you cruise the boulevard at a low, unhurried pace, yet allows you to hop on the highway without revving the engine through the roof.
