

# UNDERSTATED, BUT NEVER OVERSHADOWED

From its blacked-out V-twin engine to its subtle chrome accents, the Honda Shadow Phantom is the understated over-achiever that proves confidence can be quiet. Cruiser details like pullback handlebar, a low center of gravity and approachable seat-height offer a ride quality that backs up the bike's stealthy swagger. It's designed to be comfortable, with a final shaft drive that's easy to maintain and a wide torque spread that lets you enjoy every mile. The Shadow Phantom may look elusive, but with this modern cruiser, fun is never hard to find.

REAR BRAKE	— 180mm drum
FRONT TIRE	— 120/90-17
REAR TIRE	— 160/80-15
RAKE	— 34°
TRAIL	— 6.3 inches
WHEELBASE	— 64.6 inches
SEAT HEIGHT	— 25.8 inches
FUEL CAPACITY	— 3.7 gallons, including 0.9-gallon reserve
CURB WEIGHT	— 549 pounds (Includes all standard equipment, required fluids and a full tank of fuel)

One Year Included Transferable, unlimited-mileage warranty  
Optional Extended Extended coverage available with a HondaCare Protection Plan®

## FEATURES & BENEFITS

### V-TWIN ENGINE

Nothing pumps out the torque like a bold V-twin. The Phantom's power makes it perfect for around-town cruising, commutes and casual weekend-long rides.

### BOBBER-INSPIRED STYLING

The short fenders, clean seat, and hidden wiring and de-chromed treatment all give the Phantom its unique look: like an old-school cruiser that's ready for the way we roll today.

### LOW SEAT HEIGHT

The Phantom's low seat height makes flat-footing it at stoplights or in parking lots a breeze. And the Phantom's narrow seat/tank junction makes it feel even lower.

### SHAFT FINAL DRIVE

Clean, efficient, proven, and low maintenance. Shaft final drive is the perfect choice for a machine like this, and for riders who pile on the miles. You never have to worry about lubrication or adjustment out on the road. And an added plus: it helps keep your bike cleaner, too.
