

BRING THE WHOLE CREW

The first part of getting any job right is bringing the right tools. And when you have big jobs to tackle, the 2024 Pioneer® 1000-6 Deluxe Crew is definitely the right tool—because it lets you bring so much along! Gear, parts, people—the Pioneer 1000-6 hauls it all and then some. Load it up with six passengers. Load everything else in the full-size tilt bed, or hook up a trailer since you have 2500 pounds of towing capacity. And while the second row of seats is the first thing you'll see, you won't appreciate them until you actually sit back there. We moved the center-rear seat just a little forward so they're the best accommodations in the house with a huge amount of shoulder room. And don't forget our automatic Dual-Clutch Transmission (DCT) with 2WD, 4WD and Differential Lock, a high/low subtransmission, self-leveling rear suspension, standard doors, and a pre-wiring package that makes it easy to add Honda accessories like a winch, additional lighting, and much more. This year we have some new color choices, including our exclusive TrueTimber® Atera Camo. The Honda Pioneer 1000-6 Deluxe Crew is your side-by-side solution for big jobs—or big fun after the work's done!

PIONEER 1000 IS ONLY FOR DRIVERS 16 YEARS AND OLDER. MULTI-PURPOSE UTILITY VEHICLES (SIDE-BY-SIDES) CAN BE HAZARDOUS TO OPERATE. FOR YOUR SAFETY, DRIVE RESPONSIBLY. ALWAYS WEAR A HELMET, EYE PROTECTION AND APPROPRIATE CLOTHING. ALWAYS WEAR YOUR SEAT BELT, AND KEEP THE SIDE NETS AND DOORS CLOSED. AVOID EXCESSIVE SPEEDS AND BE CAREFUL ON DIFFICULT TERRAIN. READ THE OWNER'S MANUAL BEFORE OPERATING THE VEHICLE. NEVER DRIVE AFTER CONSUMING DRUGS OR ALCOHOL, OR ON PUBLIC ROADS. DRIVER AND PASSENGERS MUST BE TALL ENOUGH FOR SEAT BELT TO FIT PROPERLY AND TO BRACE THEMSELVES WITH BOTH FEET FIRMLY ON THE FLOOR. PASSENGER MUST BE ABLE TO GRASP THE HAND HOLD WITH THE SEAT BELT ON AND BOTH FEET ON THE FLOOR. RESPECT THE ENVIRONMENT WHEN DRIVING. One Year Included Transferable, limited warranty
Optional Extended Extended coverage available with a HondaCare® Protection Plan

FEATURES & BENEFITS

SEATING CAPACITY FOR SIX

The Pioneer 1000-6 Deluxe Crew features a full-sized crew-cab-style back seat. There's a massive amount of leg and foot room for the rear passengers, and the center seat in the rear sets a little forward, so you don't bump shoulders with the passengers next to you.

POWERFUL 999cc TWIN-CYLINDER ENGINE

Using the same Unicam® cylinder head design found in our motocross and Africa Twin adventure bikes, the class-leading 999cc liquid-cooled inline twin is more compact, and it still delivers the kind of horsepower and torque you'd expect from a flagship model.

MORE UNDERSEAT STORAGE

The Pioneer 1000-6 Deluxe Crew has tons of underseat storage. The whole area under the front seat is open, perfect for things like tools, chains, tow straps. Carrying them here keeps the bed available for other cargo.

1000-POUND-CAPACITY TILT BED

There are a ton of reasons to buy a Pioneer 1000-6 Deluxe Crew. Among them: the half-ton hauling capacity.* And when it comes to dumping, we've made it easier than ever, with a hydraulic assist tilt bed lever.

*600-pound bed capacity for California models
